# PRESS RELEASE

Wounded Heroes Association is a national community organisation established to support Australian servicemen and women and their families, and to ease the financial, emotional and personal hardships of contemporary military life.

To assist with emergency solutions to assist in solving the homeless veteran problem in Australia. Wounded Heroes are 'First Responders' and supports not only homeless veterans but also partners of veterans, where other community services are not available.

*Providing emergency support to current Australian Defence Force Members, veterans and their families in financial crisis, homeless, or at risk of homelessness.*

## **Wounded Heroes Ex Stone Pillow Sleep Out Fundraising Event will be at Tivoli Drive-In-Theatre... And this year we are doing things differently!**

**On 11/11/22 from 3:30pm Friday until 8:00am Saturday**

This is our main annual event to raise funds and awareness to assist our veteran community who may be experiencing homelessness or risk of being homeless.

The last 2 years, Covid has curtailed this event but we are back, encouraging maximum community participation and involvement with a focus of why we hold Exercise Stone Pillow. As always, we value the relationships, contribution and support from our communities in SE Qld.

In honour of Remembrance Day, the evening will begin with a Ceremonial Sunset Service. There will be great tucker, a fantastic family movie and awesome entertainment from our special guest JPY on the night, a crackin' brekkie in the morning, and an opportunity to have a blast at Gelball.

**Tickets are on sale now**

- ADULTS \$40
- CHILDREN \$10
